Please ensure your equipment is packed in a strong, waterproof packing case which lends itself to being re-packed after the exhibition. Please bear in mind that your exhibits will be in transit for long periods both to and from the exhibition and that cartons are not suitable to withstand the constant handling which takes place during transshipment. Shocking and bumping will sometimes be inevitable and cases may be placed in open air storage without cover, therefore exhibitors must take the necessary precautions against damage and rain. We will assist in physical unpacking and installation of exhibits; however, exhibitors must supervise and be responsible for those operations. Similarly, during exhibition closing, exhibitors must also supervise the dismantling and repacking of exhibits, especially for delicate or heavy equipment. When exhibits are repacked with used packing materials, the packing is regarded as no longer suitable to protect the contents against damage and or moisture compared with the original. Exhibitors should therefore bear the responsibility for any consequences arising therefrom. We will not arrange stowage for no packaging of the return exhibits if not by the full container load.

For sold cargoes, the exhibitor is allowed to sign contract and sell cargoes during or after the show. It is, however, subject to Customs approval. The exhibitor will have 30 days from the date of the show end to find out the buyer or complete the transaction. After this deadline, the shipments have to be re-exported out of China unless there is an extension permit from authorized organization. Sold cargoes will not be released until all taxes and customs fees have been paid by your buyer. It is likely that your exhibits will need to be repacked and removed to the customs bonded warehouse until all necessary domestic customs formalities have been finalized. Exhibitors are suggested to arrange a proper round-trip all-risks insurance for their exhibits (including exhibition period), preferably through a company of which the People's Insurance Company of China is the agent in China. For routing of shipments, it is advisable to cover insurance both by air and surface (sea / road), as there is a possibility of returning exhibits back to the country of origin by either way. Exhibitors should also bring a copy of the insurance policy to China. It will be useful in case exhibitors require filing a claim for damage or loss in China.

9. 对于进馆的展品，可能有一段时间之间展品运送到展台与展商到达展台的时间会有时间差别。类似的情况，对于出馆的展品，有可能展商完成了展品包装但是我司或其分包商不能马上到展台上收货。在这种情况下，而展商先行离去，展品将留在展台无人看管。发生破损、短缺、丢失等情况，我司及其分包商将不会承担任何责任，或者展品送到展台后发生损坏、短缺，也不是我司及其分包商所承担的责任。因此，在展台接货的时候，我司或其分包商将核对展商提交的装运清单与实际展品是否有差异。Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of the Exhibitor's representative at the booth. Similarly, relative to out-going shipment(s), it is possible that there will be a lapse of time between the completion of packing and the actual pick up of freight from the booth for loading onto a carrier. It is understood that during such times the shipment(s) will be left in the booth unattended. Therefore, it is agreed that the Company and its sub-contractors are not liable for the loss of disappearance of, or damage to Exhibitor's freight after the same has been delivered to Exhibitor's booth, nor are the Company and its sub-contractors liable for Exhibitor's freight before it is picked up from the Exhibitor's booth for loading after the show. Consequently, all bills of lading covering outgoing shipment(s) submitted to the Company or its sub-contractors by Exhibitor will be checked at the time of pick up from the booth and corrected where discrepancies exist.
10. 我司的货运收费是以展品的体积或重量收取，而不是按展品的价值来计算。因此所收取的费用不含保险费在内，为维护参展商权益，展商应自行购买展品的全程保险（建议通过由中国人民保险公司为代理的保险公司办理保险）包括展期内保险及责任事故的保险。展商请备妥保险合同正本或其副本以备可能在展览会现场发现短少或残损时申报检验之用。Please note that our freight charges do not include insurance coverage and all work is undertaken by JES at owner's risk. Exhibitors are suggested to arrange a proper round-trip all-risks insurance for their exhibits (including exhibition period), preferably through a company of which the People's Insurance Company of China is the agent in China. For routing of shipments, it is advisable to cover insurance both by air and surface (sea / land), as there is a possibility of returning exhibits back to the country of origin by either way. Exhibitors should also bring a copy of the insurance policy to China. It will be useful in case exhibitors require filing a claim for damage or loss in China.
11. 所有费率在非我司控制的特殊因素影响而情况下，将会有所调整，汇率变动，燃油涨价，运费增加，保险费增加等等。任何上述以外的货运服务，展商必须预先通知我司，以便按其服务要求个别的安排及报价。Our fees and charges are subject to revision so as to reflect any increase in our costs caused by exchange rate variations, increased freight or fuel charges adjustments insurance premiums or increases of any other charges pertaining to the shipment of this consignment beyond the control of this company which come into effect after acceptance of your order and prior to delivery to the consignee.
